

## Preparation for Winter Weather

As we approach winter weather season, we would like to remind you of the several methods the school district uses to notify parents and guardians of school closings and/or delays.

### JMC

A phone call will be made through JMC

Messages will also be sent via text and email through JMC

### Website, TV, & Social Media

A message will be posted on the home page of the district website.

Closings and delays will also be communicated to television (KIMT, & KWWL) and radio (KLMJ, KCHA, KRIB, KLSS, KGLO) stations for broadcast.

Messages will also be posted on Twitter @RockfordWarriors and Facebook RRMR School District

Please make sure your student(s) know where to go should school release early due to inclement weather.

You are strongly encouraged to review your contact information in JMC.

Certain messages may be sent to specific grades or buildings, as opposed to district-wide. For example, a message about cancellation of evening activities may only be sent to parents of secondary school students, if no other classes or schedules are affected.
