

PARENTAL PERMISSION FOR ELEMENTARY STUDENTS TO ATTEND FIELD TRIPS DURING THE SCHOOL YEAR

Most elementary classrooms participate in one or more field trip experiences during the school year. The RRMR Elementary School is asking you to sign a parental permission form in advance for your child to participate in these activities throughout the year. As in the past, you will receive information from the teacher in advance regarding the planned trip, time and place of departure, and any special instructions for students. If for some reason you do not feel your child should participate in the planned field trip experience, please telephone the office regarding your concerns. This one time permission slip will be kept on file and will eliminate the need for a signed slip on every trip or telephone calls to parents for those slips not turned in by the day of the trip.

I give my permission for _____ in grade _____ to participate in school sponsored field trips during the 2021-2022 school year. I understand school transportation will be provided for the trip.
