

RRMR 4 Year Old Preschool Registration for 2022-2023

The Rudd-Rockford-Marble Rock Schools will continue to offer a free 4-year old preschool program to the residents of the RRMR District for the 2022-2023 school year. We are currently accepting enrollment forms. This program will be designed for the four-year-old child preparing to enter kindergarten in the fall of the 2023-2024 school year. To be eligible for this program, a child must be four years of age on or before September 15, 2022. The district program provides a 4-day per week PM program from 12:00 – 3:30. There will also be a \$30 one time registration fee to cover all supplies and snacks for the year. At this time transportation will not be provided at noon. Parents will be responsible for bringing their child to school at noon or have them attend the Preschool SOAR program and pick up their child at the end of the day or have your child ride the bus. If you need information on the Preschool SOAR program, please contact the school. **If you are interested in sending your child to the preschool program and would like to be on the mailing list for further information regarding enrollment procedures and option details, please complete the interest form below along with the \$30 registration fee and return to the elementary school office. Registrations are due March 15, 2022 to secure a spot for your child. If your child attends the RRMR 3-year old program, we have a copy of his/her birth certificate.**
